Double Dutch Wins the Day

On February 17th the RAHBC hosted the second and final leg of the 2012 Commodore Cup, this year sponsored again generously by OOISS. The day started with very unusual south-easterly winds, which persisted during the day. The race was led by Stephen Martin and Michael Obermaier on the committee boat, with 4 clean starts. Fourteen boats participated on this day, including a Viper, a Weta, which is a single handed trimaran, and twelve Hobie 16's. The Viper, sailed by Dave & Victoria was again the fastest of the fleet. With their bright red spinnaker flying they were a superb spectacle to watch. However they ran into material problems during race 3, and had to retire to the beach to fix a broken halyard. Double Dutch Hobie 16, sailed by Giles & Jules Brinsley managed to snatch first place on this second and defining event day, and in combination with their second place on the first leg they won the overall title and the highly coveted Commodore Cup. Third position overall was claimed by the French Connection Christophe & Francois.

The prize giving was held on the boat club bridge, where Aly Brandenburg, the RAHBC Commodore, thanked the sponsor Robert Ambrose of OOISS and the OOD Stephen Martin and assistant OOD Michael Obermaier for their support. All participants received a very nice sports bag with the OOISS logo embroidered on it. Lucy Ambrose than thanked the Commodore for organizing the event, and offered her a beautiful bouquet of flowers. After the prize giving all sailors adjourned to the BBQ's along the RAH beach.
